

FRIENDSHIP CLUB

Friends make life more fun!

The Friendship Club

All our activities are chosen by members

Things like:-

- going to the pub
 - nightclubs
 - playing skittles
 - ten pin bowling
 - football matches
 - theatre
 - cafe's
 - local festivals
- and much more!

Where are the clubs?

There are now Friendship clubs in Bridport, Dorchester, Weymouth,, Gillingham, Sherborne, Stalbridge, Blandford, Ferndown ,Wimborne and Christchurch.

We hope to start a new club in Purbeck in March 2012.

How does it work?

Most of our events are in the community. Groups choose where they want to meet.

It's a safe and friendly get together where you can make new friends or meet up with people you already know.

Everyone over 18 with a learning disability is welcome.

How much does it cost?

Joining the club is free but we ask members to pay £1 subs at each event they attend.

Members also pay for their own food and drinks and for their entry tickets to events like ten pin bowling.

Other Important information

Support

If you need support you must bring someone with you.

(We have volunteers at events to help the staff make sure events run smoothly but we can't offer individual support or take responsibility for anyone.)

Transport

We do not provide transport

(But if you would like to come to an event and transport is a problem, please contact us. We may be able to help)

Access

We use wheelchair-friendly places for our events and try to make sure that everyone can take part in a way that suits them.

If you would like join or to find out more about the Friendship Club please call or email us.
